## Design and Print Online

# WEBDRUCK.CH Web-To-Print Solution

- Design and create individual printed matter
- eShop with credit card payment
- High quality PDF output with Printing Process integration
- Thousands of orders for seven Swiss printing companies

The screenshot shows the WEBDRUCK.CH website interface. At the top, the logo 'WEBDRUCK.CH' is followed by the tagline 'ONLINE DRUCKEN UND GESTALTEN'. Below this is a navigation bar with links for 'Produkte', 'Über uns', 'Kontakt', and 'Hilfe'. A main menu highlights 'Karten' (Cards) with sub-options for 'Geschenke', 'Geschäftsdrucksachen', 'Werbung', 'Trauer', 'Flyer', and 'Broschüren'. The central focus is a featured product: 'Geburtsanzeigen gefalzt' (folded birth announcements), priced at 'ab CHF 138.-'. A large image shows a purple card with a baby photo and the name 'STEPHANIE'. Text next to it says 'Gestalten Sie schnell und einfach im WEBDRUCK-Editor oder laden Sie Ihre eigene Datei hoch.' and 'bis Mittag bestellen – heute noch abholen – mit passenden Kuverts'. Below the main product are three promotional boxes: 'Schneller bestellen und Geld sparen?' (Faster ordering and save money), 'In 5 Schritten zu Ihrer Drucksache.' (5 steps to your print job), and '100 % Schweizer Qualität' (100% Swiss quality). The footer contains a 'Newsletter abonnieren' link, a Facebook link, and a list of product categories: 'Karten' (Wedding cards, folded wedding cards, birth announcements, folded birth announcements, postcards, cards, folded cards, business cards), 'Geschenke' (Monthly calendar, memo games, puzzles, table sets, posters), 'Geschäftsdrucksachen' (Stationery, envelopes, business cards, blocks, stamps), and 'Werbung' (memo games, postcards, photostickers, posters, table sets, monthly calendar). Payment logos for Visa and Mastercard are also visible.
